

RFB- Lenovo Models Spring 2018 Addendum

We have found an error on the specs for the Lenovo N23 Chromebook, please see the highlighted section of the pricing table. The original document called for 32GB EMMC it should have been 16GB. Non-touch was not specified on the original document as well.

In the event you have already mailed your sealed response we will accept updated pricing via email for the N23 portion of the pricing table only. The email must be received by the due date and time stated in the original RFB document.
