Our online registration system is an easy and convenient way for you to provide the information we need to get your student(s) registered for the new summer school year. Registration must be completed by May 6th to have transportation provided.

Some of the forms collect information about your entire family and some forms are specific to each student.

The first four forms show the current information on file for your family. You only need to enter changes to this information. If the information listed is correct, check the box at the left bottom side of screen and click next to advance to the next form.

For current 1st-12th grade students who do not currently attend a Raytown School, please visit https://forms.gle/jp4fCLoiyJue85CVA to complete your summer school enrollment.
All forms must be completed. When the last form has been completed, you will no longer be able to advance to the next form. Click the Return to List link to verify all forms are marked Complete. If any are marked as Incomplete, review these forms and make sure the "I have completed this form" checkbox at the bottom of the page is checked.

When all forms are complete, a SUBMIT button will appear at the top of the forms list page. Click this to send your information to us.

Once your application has been reviewed, you will receive an email response for the next step of enrollment.

Please be aware that the Raytown School District will be closed for Spring Break from March 26th - April 3rd. Any enrollments submitted during this time will be reviewed the week of April 4th. Thank you for your patience and understanding.

If you have questions about the enrollment process, email the Raytown Quality Schools Summer School office at summerschool@raytownschools.org.
